

# Forget me Not Grants

Making your home dementia friendly

Do you know someone who could benefit from this?

Grants of up to £1,000 are available for adaptations to a home to help make the environment more suitable for someone living with dementia.

Grants can cover a range of things including:

- Changes to lighting, flooring and decoration
- Changes to bathroom and kitchen facilities
- Installation of equipment and assistive technology
- Other work which can improve independence

**For more information call the South Norfolk Council  
Independent Living Team on 01508 533705
